

St. Croix County Trail Riders ATV Club Meeting 6/28/2017

Call to order @ 7:08 p.m.

Minutes from the monthly meeting held on 5/31/17 were read by Secretary, Donna O. Motion by Tim to accept the minutes and 2nd by Jerry M. All in favor.

Treasurer's Report: Treasurer, Jerry M. read his report and where the checking stands. Motion by Jerry H. to accept the Treasurer's Report. 2nd by Larry. All in favor.

Trail Report: By Trail captain, Doug ~ Doug had more maps made up for the Village of Baldwin. He also straighten up signs. There haven't been any issues for the Village of Baldwin. Doug & Sandy rode in Bayfield County last weekend and Jerry & Mary & Carrie joined them on some of the days. Beware at the Spider Lake Loop in Washburn County that there is a problem with speeding on this trail that goes on private property. If it continues in that area on that part of the trail then that area will get closed down which would cause the loop to close down. Larry said the trail on Barry Road by Spooner has been closed down because of speed. It has been posted along with a sign at Ed's Pit Stop.

Alliance: Greg ~ Maps are now being printed ~ went back & forth ~ each club will get a laminated map. Ordered 5,000. Somerset Club has formed a safety committee and the committee is working on getting BP open and also thru Industrial Park.

WATVA: Greg said the NW Regional meeting is August 12th at 9 and it is being held at Rice Lake Snow & Dirt Club House. The meeting starts with a meeting, then lunch and then riding. The club house is on Double S.

Old Business: Jerry M, Jerry H, Chris & Greg taught the safety class on June 11th at the Wilson Legion. There were 17 students and they all passed. Greg & Doug did not attend the Rusk County meeting because of the weather. Greg talked to Mr. Grunseth and said they ran out of room for people attending and some attending had to stand in the hallway. Both sides voiced their concerns and there are plans for another meeting to be held at a larger place. No plans to shut trails down but there are plans to close down other areas – especially the wet lands. The Adaptive ride in Mercer went well with about 11 people riding. People rode 2 days.

New Business: Glenwood City Forest Barnstormers has been revived with new life. Jeff Tuttle is the President and there are new VP & Secretary & Kathy is staying as the Treasurer Secretary. Someone asked about the St. Croix County Fair parking ~ the property has been sold and a Dollar General store is going there so there will be no parking available at this spot. Glenwood Forest Barnstormers maybe buying some signs from our club for the Downing area that are having issues. Greg would like to tackle the Wildwood Trail in Woodville. Need to approach St. Croix Parks. Roger asked if any changes out of Madison on road routes and Greg said no.

Next meeting is July 26th at Wildwood at 7:00.

Motion made by Jerry M. to adjourn the meeting. 2nd by Tim. All in favor.
