Treasurer's Report: Treasurer, Jerry M. read his report and where the checking stands. Motion by Roger to accept the Treasurer's Report. 2nd by Tim. All in favor.

Trail Report: By Trail captain, Doug was not in attendance but Doug talked to Greg and wanted him to report that when he rode the Spider Lake Loop in Washburn County where there is a problem with speeding on this trail that goes on private property is being policed by the cops and the DNR. So far nothing has been done.

President Report: Greg will be working in August on the Wildwood trail.

Alliance: Greg had the maps and passed out one to everyone. There were only a couple mistakes ~ roads marked as rustic roads and they should be county roads ~ Greg contacted the map place. The cost came to \$2,598 for everything ~ less than what they thought. The extra money will go back to the Alliance and the clubs. Greg & Doug along with other club members attended the Polk County Meeting to discuss the Amery to Dresser trail. The County may revert back to the original master plan. Greg attended the Rusk County meeting because the Rusk County Forrester wants to shut down all the forestry lands. There was a huge attendance against the plan to close it down. The Forestry Dept has to review and make a suggestion to the County. Greg & Tim attended the Warren Township meeting to see about opening up road routes. Sounded positive. Greg will attend the Snowmobile / ATV Club in Roberts to see if they will propose the township to open road routes. On their agenda for the next meeting. Governor Walker appointed Scott Knudson as the new St. Croix County Sheriff. Greg will reach out to Sheriff Knudson to introduce himself and talk to him about all the clubs in St. Croix County. Greg attended the Glenwood City Barnstormer Club meeting ~ their Treasurer was not in attendance so no payment for the signs we sold them. Hopefully next meeting.

WATVA: Greg attended the Northeast Regional meeting. Had a short ride because of the weather. The Northwest Regional meeting is August 12th at 9 and it is being held at Rice Lake Snow & Dirt Club House. The meeting starts with a meeting, then lunch and then riding. The club house is on Double S.
