Please Read this Important Information

ATV routes and trails provide riders with a great opportunity to enjoy the beauty of the "St Croix County". Riding your ATV on Town roads that have been approved as ATV routes is definitely a privilege, not a right. Remember, opening routes and trails for your recreational use requires a considerable amount of effort and expense. Please respect all signs, speed limits and private property while riding your ATV. Speeding, loud noise, power-turns, road damage, illegal off-road operation and property damage will not be tolerated. This is the quickest way to get a route CLOSED.

Drive Safely and Know the Laws
