Trail Captain's Report: Wilson group closed down so we have some new members with us tonight. We will split the township and together be a great group. Sad to see the group disband, but we're grateful for continued support. Their group agreed to split their funds between our group and Glenwood's group. This will be close to \$1500 for each group. We had an introduction of all in the group – we welcome all that are new to our group and thank all for joining us. We look forward to another great year.

Richmond township (Boardman area) – Greg has attended their meeting for the last two months. They are discussing having a one-year trial UTV ordinance to see how things go. Paperwork is being reviewed by lawyer and will then be voted on possibly at the June meeting.
